## Refrigerated Display Case

The Bighorn is a European refrigerated countertop display case with a built-in cooling system. Great combination of good looks, great construction and running efficiency; makes good value for money!

Constructed with full stainless steel case and double insulated glass panels, front and rear sliding doors, with option of a self serve door panel kit for customers to access the front if required.

The cooling system is all fully contained and both left and right side mounted models to choose from. There is no need for costly installation or building works, simply position on counter and plug into normal power.

This high efficiency cabinet is fitted with electronic thermostat, automatic defrosting control and self evaporating pan. Two wire shelves and upper fluorescent lighting. Cross fin coil cooling from the top allows cold air to naturally fall through cabinet reducing drying of product and making very efficient to operate.

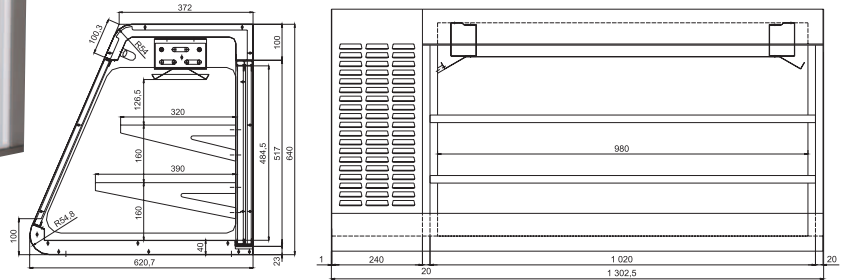

Matching ambient cabinets available in two sizes.

Also available with optional food ingredients bin

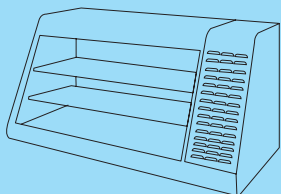

## Accessories

- Available with self service doors to front (lift up or sliding)
- Freestanding ingredients bin to fit in base

Model	Dimensions W x D x H	Shelf Area	Capacity	Power Input	Cooling Output	Light	Refrigerant	Weight
BIGHORN S	1300x620x640	1.3m <sup>2</sup>	0.27m <sup>3</sup>	320W	280W	21W	R 404a	85kg
BIGAM700	700x620x640	0.9m <sup>2</sup>	0.19m <sup>3</sup>			13W	N/A	75kg
BIGAM1000	1000x620x640	1.3m <sup>2</sup>	0.27m <sup>3</sup>			13W	N/A	80kg
